Strategic Acquisition of Ixom

1 A Strong and Stable Infrastructure Business

Supported by a large network of well-positioned infrastructure assets

2 A Business with Growth Potential

Amongst the leading businesses in the provision of key chemicals for fundamental industries with favourable long-term industry growth trends

3 Stable and Resilient Cash Flows

Large and diversified customer base, as well as long-term customer relationships

4 Complementary Business Driving Sustainable Growth for KIT

DPU yield accretive acquisition that strengthens KIT's portfolio mix and overall value proposition

Alignment with KIT's investment strategy:

- ✓ Long-term stable cash flows with potential growth
- ✓ Provides key products and fundamental services
- ✓ Strong and stable business sectors
- ✓ Significant scale with large infrastructure network

Looking Ahead

Ixom

Three-Pronged Growth Strategy

The Trustee-Manager will harness the synergies of our three-pronged growth strategy to deliver on its goal towards long-term value creation.

Organic Growth from Existing Portfolio

Solid Stable Base

- Stable cash flows
- Scale and liquidity
- Strong balance sheet

Potential Upsides

- Organic growth of City Gas consistent with population growth in Singapore
- Long-term industry trends underpinning growth at Ixom

Keppel Synergy

Keppel Capital

- Bridge financing
- Co-investment and incubation opportunities
- Non-energy and non-environmental opportunities

Keppel Infrastructure (Sponsor)

- Keppel Group's energy and environmental infrastructure arm
- Operations and maintenance, as well as development and industry expertise
- Rights of First Refusal for 49% of KMC, as well as other assets owned and developed by Sponsor
- Co-investment and incubation opportunities

Acquisition Strategy

KIT New Investments

- Businesses/assets that generate long-term, stable cash flows with potential for growth
- Businesses/assets with creditworthy off-takers or a large and stable customer base
- Investment characteristics:
 - Availability-based assets
 - Equity, equity-linked as well as customised sale and leaseback transactions
 - Inflation-linked assets
 - Defensive industrial infrastructure
 - Businesses with infrastructure like characteristics
- Selected greenfield investments with experienced operators and limited construction exposure
